J. Keaweivi, sworn, says he knows the land of Ott in Kukulilea. It consists of a House Lot in Kuu-hua and two pieces of land in the ili of Keahu in the valley of Kahoma.

The first piece is bounded, Mauka by a stream,- Olowalu by Moai's land,- Makai by Kanalu's land,- Kaanapali by a stream.

The second piece is bounded, Mauka by Ika's land,- Olowalu by Kilasi's land,- Makai by Keala's land,- Kaanapali by a stream.

Keone received this land from E. Ripa before the time of Kaakumane, and has always held it without dispute.

Perita, sworn, says the testimony of the last witness is true.

No. 6494. Koalakai. From P. 50 77.

Mouli, sworn, says he is a Kamaina and knows the land in dispute. The small piece in dispute belongs to Makuahine the Countess. I was formerly Konohiki of the land, before Makaulia.

J. Makaulia, sworn, says, I was once Konohiki of this land. I have been living there ever since 1836. The piece of land now in dispute has been in the possession of Koalakai ever since about 1834, and he held it and reaped the fruit of it, without dispute, up to the time of surveying the Kuleanas.

Kahiwale, sworn, says he knows the land in dispute. It was formerly planted by Warae who went to Kauai some years ago. After he went away it lay waste for some time and then was cultivated by Hamanalan under Makuahine the Countess.

Hovililelani, sworn, says the land in dispute belongs to Makuahine, who got it from her husband. I got the place from Makaulia the former Konohiki, and I gave it to Makuahine me. Hamanalan cultivated it recently, but Koalakai cultivated it before that.

Nahelenui, sworn, says she knows the piece of land now in dispute. I know that it belonged to Koalakai who had it from Makaulia, the Konohiki about 1834. It has not been disputed till recently. I formerly lived on Polaniu myself.

Kele, sworn, says he knows the land now in dispute. Hovililelani gave it to Makuahine.

Makaulia gave it to Koalakai about 1834, and he cultivated and held it until the time of surveying claims. Previous to that it was cultivated by Koalakai, and the food then growing on it was his.

Kalehu, sworn, says he knows the House Lot of btt in Waiokeana, Lahaina. I am the Kono-
hiki of the land and know this claim. I have
seen the Survey made by Ua, and it is correct.
btt got this Lot from the King in 1834, and has
occupied it without dispute ever since.

Upai, sworn, says the testimony of the last
witness is correct. There is a fish pond in-
cluded in this claim, which belongs to btt.

Kekualele.

Continued fr. P. 84. 57.

Counter the Heirs of Mapeu.

Makanalau, sworn, says she knows the land dis-
puted by these parties in Kanaha. It is Kula land
planted with Lauhala and wauke. The Lauhalas
were planted by Anio the grandfather of Kauchi-
ahiwa the counter btt. After Anio died the land
came to Mapeu. After Mapeu died it came to Ke-
kualele as heir of Mapeu. Mapeu gave the land
in dispute to Kekualele before his death some
time, when Kaemasua was Luna Ouhau. Ke-
kualele has held possession of it without dispute,
till recently. Witeress is the sister of Kekualele.

Mo. Kenui, sworn, says he knows the land in dis-
pute. It is planted with Lauhala trees, planted
by Anio the grandfather of Kauchiahiwa. After
Anio died the Lauhalas came to Mapeu and his
wife. Mapeu possessed the Lauhalas in peace
until his death, in 1850. He left two daughters
who heired his lands in Kapoli. Their names
are Kauchiahiwa and Kealawaa.

Mo. Kaha, sworn, says he knows the land in
dispute. The wauke patch belongs to the Kono-
hiki.

4
The Lauhalas belonged to Anio and from him descended to the children of Mapu. Kekualele has no right to this place. His land is Kalo land, and distinct from this. I am a Kamaaina of "Kapoli".

Kapohaku, sworn, says he knows the Lauhalas in dispute. They belong to the children of Mapu. Kekualele has no right whatever to them.

N^o 4632. J. Kahookano. P. 1. 23. 27

There is a koele patch included, by mistake, in the survey of this Claim as awarded, which claimant says does not belong to him, but to the Honohiki.

N^o 2538. Umiumi. P. 1. 15. 27.

Apana 3, in this claim is disputed by the Honohiki on the ground that it is an old Koele. J. Keaweini the Honohiki says it has been a poalima ever since he came into office, and for long before.

(Claimant denies that it belongs to the Honohiki).

Hahine, sworn, says I am a Kamaaina of Paunau. The piece in dispute was given to Umiumi by Maloo, a former Honohiki, about 1841 perhaps. Umiumi held the land until 1846, when it was taken away from him by Kamakini. Umiumi appealed to Namaheha, the Acting Governor, who reinstated him in possession of it. Umiumi has tilled the land ever since.

Kailaa, sworn, says she knows the piece of land in dispute. She is a Kamaaina of that land.

In old times, this piece of land was in possession of Malus. Umiumi got that piece from Keawe-leale when Kamakini was Konehiki of the Land.

Kamaooha, sworn, says she is a Kamaaina of this land, and knows the piece in dispute. It was given by Malus to Umiumi because my father and Umiumi had frequent quarrels, and Malus wished to give Umiumi a separate place by himself. Kamakini the Konehiki was displeased with Malus for so doing.

The Governor defended Umiumi from the unjust oppression of Kamakini in taking away his property, but restored the piece of land to the Konehiki, after which it was planted in sugar, potatoes &c. It belongs to the Konehiki and not to Umiumi.

Kahine, sworn, says he knows the House Lot of Umiumi. It is disputed on the Olowale side by Kamaooha, the widow of Malus. (It is Apana 1 on the survey). There was a dispute some years ago about this Lot, when Kamaooha decided in favor of Umiumi.

The first and second pieces on the survey both belong to Umiumi.

Malus once built a house on the first piece, but the Governor caused it to be pulled down, and confirmed Umiumi in the land. Apana 2 is two moods of potato land and has long belonged to Umiumi.

Kiichelani, appeared on behalf of the King to dis-
pute the claim of Kahaulopua to Kula land
at Wailuku - about sixty acres - in two pieces.
This land he says is mahalehale.

Kahaulopua, claims to have had possession
of this land from ancient times, and says he
never heard his claim disputed till now.

No. 6211. Maimai. from 102 V7
Kauihi, sworn, says she knows the House Lot claimed
by Maimai in Pukehukumui, and disputed
by the King's Luma. Kaihee got this lot from
my husband Oo and myself when Kaenaena
was Luma Aukau, about 1840. It is enclosed by
a stone wall which was built by Kaihee, who
left this place some years ago and went to live
at Honuaula, - and the lot is now occupied
by Maimai.

Kalama, sworn, says the Lot in dispute is en-
closed but not occupied. Maimai has pos-
session of it. He got it from Oo before the death
of Kinau.

J. P. Kaunaea, sworn, says he knows the Lot in
dispute. It is enclosed with a stone wall built
by Kaihee, a former occupant, who now lives
at Honuaula. He left the lot in dispute in
1847. After he left it, then Mahiai occupied it
until 1848, when he went to live at Honuaula
with Kaihee. Kaihee lived under Kalaimoku
Hanapilo, at whose expense the stone wall was
built. When Mahiai left the Lot, Kaihee res-
tored it to Kalaimoku. It was unoccupied up
to 1850, when Maimai commenced to cultivate in it.

I understand that the King is Kalaimoku's heir. I have heard that Kaaihee did not put in a claim for this Lot, because it belonged to Kalaimoku.

Liuksua, sworn, says he knows the lot in dispute. Kaaihee occupied it till he went to live at Ho-nuauka. I recollect asking Kaaihee at one time who gave him the Lot in question. He told me he got it from Piapia. When the wall was built round it, it was at Kalaimoku's expense, to whom Kaaihee gave up the Lot when he left it. The Lot is at present unoccupied. There is no house in it. Maimai plants in it.

Pi, sworn, says he knows the Lot in dispute. Kaaihee got it from Oo. The fence was built by Kaaihee. When he left it, then Mahiau held it, and after he went away then Maimai began to cultivate there.

(Olt says that at the time the Kuleanas were being sent in to the Commission, the lot in dispute was not occupied by any one).

(Decided to belong to the heir of Kalaimoku).

Kaanaana.

P. 182, V 7 + 6615

Paikaualani, sworn, says he knows the House Lot of Olt. Makai. He derived it from the parents of his wife, who held it since the time of Kamehameha I. It is bounded Mauika by Kapahia's land, - Olowale, by Kukahiko's land, - Makai by the Alanui Aupuni, & Wituap, - Kaanapali by the land called "Waiokama". This Lot is disputed by Kapaakea on the ground that he got it from Hanuea. The House Lot belonged to the father in law of Kaanaana from ancient times, and Hanuea lived under him. Hanuea has occupied

the lot in question for the last ten years.
Kaanaana lives in another place.

Kamaun, sworn, says he knows Kaanaana's Mauka House Lot where he now lives. He received it from Kaoo about 1841, and has occupied it in peace ever since. I saw the Kouohiki of the land. This Lot is bounded Mauka by Maun and Kupaia, - Olowahu, by Kupaia, - Makai by the old Road, - Kaanapali by the land called "Puaa".

Paikaualani, re-examined, says Kaauwaka lived on the Lot in dispute between his heirs and Kaanaana from about 1840, till a few years ago, when he went to Oahu and died. (This adjoins the Lot disputed by Kapaakea). The children of Kaauwaka do not live on this Lot, they live with Moku their Guardian.

Upai, sworn, says he knows this Lot. My Family lived there at one time. Kaanaana's Mother in law lived there also on a part of the same Lot. Kaauwaka lived there from 1842 till the time of his death. After that his house was sold, but the ground belonged to his children. This Lot is bounded, Mauka by Kapahi's land, - Olowahu by Kukahiko's, - Makai by the lot occupied by Hanuea, - Kaanapali by the line of "Waiokama".

Kalehu, sworn, says he knows the place in dispute. I live on a land adjoining and know that it belonged to Kaauwaka, who got it from Maile about 1837 or '38. Maile was his brother. Kaauwaka and his children have possessed it ever since. He died about 1848, until which time he lived there without dispute.

The greater part of Kaauwaka's lot lies in "Waiokama" and is not disputed. Witness knows nothing of the part of the Lot which lies in "Kooka", (which is the only part in dispute.)

Kanohe, sworn, says he knows the Lot in dispute. The mother in law of Kaanaana lived there before Kaunuke. He lived there from about 1837 till his death.

Kapahi, sworn, says she knows the Makai Lot in dispute between Kaanaana and Kapaakea. It is just Makai of the lot disputed by Kaunuke's heirs. It belonged in former times to the parents of Kaanaana's wife. It is occupied at present by Hanuea who gave it to Kapaakea in 1850. Hanuea is at present on Hawaii. Hanuea lived under Kaanaana's people.

Kauhiapo, sworn, says he knows the place in dispute. It belonged to Kaanaana's father in law. Hanuea got it from Lumaawe about 1847. Lumaawe did not own it, he only lived on it by permission of Kaanaana's father and mother in Law.

(The portion in dispute with Kaunuke's heirs was settled on the spot, in favor of Kaanaana, with consent of all parties).

No. 1845.

Keaweakeulu. from P. 15677

Umuumi, sworn, says he knows the House Lot in dispute between the Olt and Waaleka (or Kamauna). Kekauluohi put several persons on the lot under the Olt at various times. They have all died or been driven off. Those persons were the people of the Chief and placed there to take care of the clothes of the Chief. Kaaha was one of them. Kamanawa held all of the Lot in dispute. The Chief's people lived in the house of Kamanawa and had no house of their own. Kamanawa enclosed the Lot. Pikanale, sworn, says that in the life time of Hoapili wahine Kamanawa was turned out of his office as Konoiki of Paunau. He then went to Hoapiliwahine and complained to her, and she got him back on to the lot in dispute to live. After that the chiefs Kinan and Kekauluohi built a wall of separation between the part occupied by Kamanawa and the other part of the Lot which they reserved for themselves. The remains of the wall of partition is still standing. (Ua says he measured in the whole of the Lot in the Survey of Keaweakeulu.)

Kae, sworn, says when he went to Lahainaluna, in 1835, Kamanawa lived on the lot in question, and owned the houses then standing on it. He occupied it in his own right. Several of the Chief's people lived there also, but I believe they lived under Kamanawa. I lived near this lot myself after I left school. The Lot was divided by the chiefs, but I do not recollect at what time. Kamauna now claims the portion of the Lot makai of the partition wall.

J. Kahala, sworn, says he is a Kamauna of Paunau, and knows about the Lot in question. Soon after the death of Liholihohi this lot came into

possession of Kamanawa and he occupied it. 11
Several servants of the Chief lived there also under
Kamanawa. These servants accompanied the Chief
(Kekaulohi) when she travelled - they had no
houses of their own on the Lot. After Kekaulohi
died, Kana'ina disputed Kamanawa's right.

The makai wall was built by the Poalima, - the
mauka wall by Kamanawa, and one side wall
by myself. Hooai built a house on the makai
part of the lot after it was divided - he lived
under Kana'ina. Polea is the Luma now in
charge for Kana'ina.

Polea, sworn, says in the time of Kaahumanu
Kamanawa was living on the lot in question.
Kaahumanu gave him permission to live there.
He was the only occupant at that time.

During Kamanawa's life time the lot was en-
closed, partly by the poalima labor and partly
by J. Kahula. After Kamanawa's death, his
sister, the present Oth, lived on the Lot.

Kekaulohi caused a wooden fence to be erect-
ed, dividing the lot in two - where the adobe
wall built by Kana'ina now stands. The
makai part of the lot has been occupied by
Kahekuna, and after him by Kalai, and then
by myself, all under Kekaulohi & her heirs.

The mauka part of the lot was continuously
occupied by Kamanawa and after him by
the present claimant, up to the present time,
but not without dispute. The Chief has claimed
the whole Lot. (See Kamanawa N: 6439).

Counter C. Kanaima.

Pikanele, sworn, says he knows this small piece of land of btt in Puako, Lahaina, near the Canal. Polea got the lot in question from Hauma, a woman who owned it, about the year 1823.

Polea was a Luna for Hoopiliwahine and built a house on this lot by her poalima labor. btt held the lot up to 1845, when C. Kanaima took it and leased it to Mr. Waldo along with the adjoining land.

J. Kaleikini, sworn, says he knows the small¹³ lot in question. I know that Polea was living there in the year 1836. Btt was head Luma for Hoapiliwahine and had charge of her property while he resided on the lot in question. Polea possessed this lot without dispute. He leased it to Mr. Waldo at one time, and after that Kanaina took and leased it to Mr. Waldo along with the adjoining land. Polea is a Luma for Kanaina and that is the reason why he has allowed Kanaina to take the rent. The lot in question belongs to Polea and not to Kanaina.

Kalimanui, sworn, says she knows the House Lot of Btt in Waianaeiki, Lahaina. Btt got this place from his sister before the death of Kinau. His title to it has never been disputed. It is enclosed and the fence is the proper boundary.

It is bounded Mauka by Kahikona's land, - Olowalu, by Kalua's land, - Makai by Keawe's land, - Kaanapali, by School House & Ninia's land.

Pahia, sworn, says he knows Btt's lot in Waianaeiki. It is a House Lot. He confirms in full the testimony of the last witness.

Claimant, being sworn, deposed that he put in his claims before the Land Commission in the time of Mr. Richards, and they were heard by him at Lahaina, in 1846. The pieces of land were subsequently surveyed by John Richardson.

Kanaka, sworn, says I am a Kamaaina of Puou and know the land of Olt.

Kaupena is the lina of Puou under Kaes. His land consists of two pieces, first, the House Lot, Makai, - Bounded Makai by Kimo's land, - Howalu, by "Paunau", - Makai by M. J. Nowlien's land, - Kaanapali, by the Road.

The piece of land, Mauka, is bounded, Mauka by Waki's land, - on all the other sides by a stream.

Olt received this land from Kaes in the time of Kaahumanu, and has held it without dispute ever since. Olt lives with Kaes in Honolulu, and his son has charge of the above land.

Kaiaawa, sworn, confirms the testimony of the last witness as to the House Lot.

No. 392.

B. Ninia.

Unicemi, sworn, says he knows the place in dispute between Ninia and Kaiheekai (for the King) in Waianae, Lahaina. Has known this place for at least ten years, and is sure that it has not been a poalima during that time. The wife of Olt got it from Kaes before the death of Kaalilio (1845).

Poopuu, sworn, says I was formerly the Kounihiki of Waianae, and know the lot now in dispute. I was Kounihiki from the time of Hoapili until a few years ago, and I know that this Lot was not a poalima during any part of that time. Olt received it from Kaanele about 1845 and built a house on it, cultivated part of it, and has held it ever since.

Kuaana, sworn, says he knows the piece of land now in dispute. In the life time of Kaaimalalo, the mother of Kaao, this place was cultivated by the Kouohiki's poalima labor. After that it became dry and the poalima labor on it was given up. I never heard of its being given to Ninia, all I know about that is that he built a house on it, some four or five years ago. I do not know of his having cultivated it at any time.

Pikanele, sworn, says he has heard the testimony given by the last witness and confirms it. Ninia has lived on the land in question but a few years.

G. C. Kaiawa.

P. P. 12077

Counter J. Kaao.

J. Kahula, sworn, says he knows the piece of land, in Lahaina, in dispute between Kaiawa and J. Kaao. It has belonged to Kaiawa from about 1830. He got it from Kalaihoa, and held it without dispute till a few years ago, when Kaao took it away from him without any right whatever. He got the lot from Kalaihoa for services performed. Kaiawa still cultivates the Lot in question.

Umuemi, sworn, says he knows the place in dispute. Kaiawa got this lot from Kalaihoa about the time the Fort at Lahaina was built. He confirms the testimony of Kahula in every particular.

Kaiawa got the place in payment for his services as an Interpreter &c, and it his property *ponoi*.

Blainant, being sworn, says he forwarded his claim to the Board at the time the Lahaina claims generally were sent in.

Kawaa, sworn, says he wrote out the claim of Iwa in the lifetime of Mr. Richards. Knows the land of Olt in Pookuehunui, Lahaina. It consists of three pieces.

The first piece is a House Lot, bounded Mauka by Lipi's land, - Olowalee, by Kailiino & Kalaimoku, - Makai by Hanakaipu & Ihuamu, - Kaanapali by Poepoe and Kapu.

The second piece is cultivated land, - bounded Mauka by Likua's land, - Olowalee, by Oo's land, - Makai by the Kouhiki & a path, - Kaanapali, by a poalima.

The third piece is Kala land, bounded Mauka by Likua & Kouhiki, - Olowalee, by a brook, - Makai by Kapu and Likua, - Kaanapali, by "Kalakaa".

Olt received it through his wife Ohila about 26 years ago. The second piece is disputed by Likua and Kailiino. The first and third pieces are not disputed.

A. Moku, sworn, says he sent in the Claim of Iwa by J. Kaauwai. Witness lived on the land in question, in 1837. Does not think Kailiino has any right to the part disputed by her. In 1849 the Kouhiki took a piece of Iwa's land away from him and gave it to Kailiino, and hence her present claim.

(Ihuamu, the Kouhiki, has no objection to make to Iwa's claim).

Likua, sworn, says he knows the land in

dispute. Kailimo got it from Kalimaeka in ancient times. Iwa has no right to it, he never cultivated it. It has always been in the possession of Kailimo.

(Decided in favor of Iwa).

No. 521.

Kapule.

A. Moku, sworn, says he knows the House Lot of Olt in Kooka, Lahaina. It belonged to his father, Kakaikili, in the days of Kamehameha I, and from him it came to the present Olt.

The House Lot is bounded Mauka, by the Road, - Olowalu, by "Alii", - Makai by the Sea Beach, - Kaanapali, Keokakalei's land. It is disputed by Kekualaula, whose heir claims the Makai half of the Lot. The origin of this counter claim is that Kanihomauole was allowed by Olt to come and live on the makai part of the Lot. Kanihomauole was a relative of Kekualaula and the latter claims to have received from the former.

L. Namau, sworn, says he knows the mauka land of Olt. It is bounded Mauka by Kapu or Paikaualani, - Olowalu, by "Alii", - Makai by Kekahiko's land, - Kaanapali, by "Waiokama".

Olt received it from his father who held it from ancient times, and his title is undisputed. Witness is Honohiki of this Land and approves the claim as surveyed by Mr. Alexander.

(See page 33.)

Napohaku, sworn, says he knows the land of Olt in Ukaa, Lahaina. It consists of two pieces. The first piece is a House Lot, bounded Mauka and Olowalu, by "Aki";- Makai and Kaanapali, by the Kouohiki.

The second piece is bounded Mauka and Olowalu by "Aki";- Makai by the Kouohiki,- Kaanapali, by a stream.

Olt derived the land through his wife about 1842, (or through her sister) and has occupied it in peace up to a short time since, when Pooki has disputed his claim.

Timoteo Keawsiwi, sworn, says he knows the land claimed by Kekahuna. He has occupied and cultivated it the same as all other Hoainas, since he got it in the time of Kinan, and held the land in peace till lately, when Pooki raised a counter claim. There are no poalima patches in it.

G. I. Mission.

Counter G. Kara & Fanny Young.

Kuaimanu, sworn, says he knows the place in dispute, in Haleu, Lahaina, adjoining Mr. Richards' premises. It is bounded Makai by the street, - Olowale, by the fence of the watering place, - Kaanapali, by another part of Mr. Richards' premises, - Mauka, by the back street. It is a part of "Haleu". When I went to live with Mr. Richards in 1835, he held the place in question. Richards, myself and others under him planted Bananas, Vines, figs &c in this Lot. The fence which separates this from the watering place was in existence when I went to live there. The house in which I lived belonged to Richards and stood on the land in dispute. The figs which are now growing on it were planted by Mr. Richards. Recently, I have seen Mr. Baldwin's horses pasturing on this Lot. I have also seen the horses of other people on the mauka part of it. I never heard of any one else setting up a claim to this place during Mr. Richards' life time. This land ran down, originally, to near the sea shore at the place formerly leased to Mr. Peck. (It is a part of the "Haleu" which belongs to the Young family). I have heard Mr. Richards say that he owned the watering yard and a portion of the place where the Fort now stands, clear down to the sea, and that he gave up those for the place which is now disputed.

Kaolulo, sworn, says he knows the yard in dispute. Mr. Richards lived at first near where Hale Peula now stands. After that Kuaimanu gave him the present Mission premises

to live on. The place in dispute came into the possession of Mr. Richards in exchange for the present watering yard, which is really a libi or the land given to him by Kaahumahu. This exchange was made in the time of Kaahumahu, and Mr. Richards then fenced in the land in question. Mr. Richards held this place without dispute till his death. I never heard of any counter claim to it until a few days ago. I was one of his men and lived near this place. I once asked Mr. Richards to give me this place, but he said he could not do so on account of its being in possession of Mr. Baldwin for the Mission.

Kale, sworn, says he knows the place in dispute. The figs, bananas &c. were planted by Mr. Richards. I lived with him, on the place in question, from 1833. The fence between the watering yard and this lot was built at Mr. Richards' expense. He gave books to the people for their labor upon it. I never heard his title to this place disputed during his life time, nor the title of Dr. Baldwin since.

Hopuola, sworn, says I came from Hawaii just after the death of Kaahumahu and went to live on the land of the Missionaries in Lahaina. The place in dispute always belonged to Mr. Richards in my time. He planted the trees and bananas in the lot and enclosed it. After Mr. Richards left, it came to Dr. Baldwin the present missionary.

Uniumi, sworn, says he knows the place in dispute, well. A part of the premises given to Mr. Richards by Kaahumahu stood in "Paumau" and a part in "Haleu" of the Young Family. This part now in dispute was fenced in by Mr. Richards and the path to his house went

through it, but there are two Cocoa Nut trees still standing on this land which were always in dispute, and I believe they belong to Kekela, (Samy Young). I do not know who planted the figs and other fruit trees. My house stood on this land before Mr. Richards' time. The ground in question belonged, I believe, to Richards but Nahiemaena had a house on it at one time. Mr. Richards held it without dispute, but the Cocoa Nut trees belong to Kekela.

Kekuelike, sworn, says he knows the place in dispute. The makai part of it belongs to Kekela and the mauka part to Mr. Richards. I lived on the mauka part of this place at the time of the Battle of Nuuanu, under old John Young. At the time Mr. Richards first arrived in Lahaina I was living there, and so I was when he went to live on the present Mission premises. The place where the large well for watering ships now is, belonged to the King. My house was on the mauka part of the strip in dispute and Kekela built a house for Nahiemaena makai, near the present street. That house did not stand on Richards' land. I lived on the land in question till about the time Kaahumanu died. The house of Nahiemaena had fallen down before I left the land. Mr. Richards built the fence between the watering place and the strip in dispute, during the life time of Nahiemaena. The fig trees &c were planted by Kekela and her people, I am certain, for I saw them planted. Some one else might have also planted figs there. After Mr. Richards built the fence spoken of above, the path to his house went thro' this place.

under a large grape vine planted by him. The place where the Cocoa Nuts are belongs to Kekela. Mr. Richards planted bananas in the part of the ~~lot~~ claimed by Kekela, but the land did not belong to him. The house occupied by his servants stood about the dividing line between his part of the land and Kekela's part.

Kawaa, sworn, says Mr. Richards got the Mission premises from Kaahumane in 1824 or '25, and I believe it included the strip in dispute. I never heard Mr. Richards' title disputed.

P. Kahaalelua, sworn, says when he came to Lahaina, at the time the Seminary began, Kekela was living on the place in dispute. She owned the Cocoa Nuts growing on it, and I have always been in the habit of taking nuts from thence. Kekela had left this place some years before the death of Kivanu. The King's sister also lived on this Lot, farther mauka, at the same time as Kekela.

At the time I ^{erected} built the fence between this place and the Watering yard, John Young wished me to include the strip now in dispute, but Kekela would not allow it, because she said that strip belonged to her and not to John, and she wished to have their lands kept separate.

Rev^d Mr. Baldwin, sworn, says that when he first arrived at Lahaina, Mahiuaena was living in Mr. Richards' house, and her servants occupied a house which stood on the strip in dispute. In 1835, I came to live in Lahaina, and Mr. Richards' servants were then living in the above house. The only entrance to Mr. Richards' premises was through the place in dispute, and his children used to cultivate it as a garden for themselves. When Mr. Richards was absent, I had charge of his whole premises including the strip in question. There never was any counter claim made to this

piece during the time I held it, or during Mr. Forbes' residence there. When Mr. Richards heard Land claims in Lahaina, in 1847, no counter claim was presented for this place. It was publicly measured and included in the Mission premises, and no one made any objection to it. I understood from Mr. Richards, about 1834, that the strip in dispute was given to him in exchange for the place where the large well now is. We have always had this place in cultivation and occupancy, and I never knew that the Mission claim to this place was disputed, until a few days ago. The only difference we ever had was about the Cocoa Nuts.

N^o 3192. Kahinu. Fr. T. T. 1847.
 Pikanale, sworn, says he was formerly Kouohiki of Houkawai under Mr. Kekuanooa. The pieces of land now in dispute were given by me to Kahinu, about 1846. I held the poalimas of Houkawai, and these patches claimed by Kahinu are a part of the Poalimas. He has no claim whatever to the soil. Kalaikini has planted this land since 1848. (Witness testifies exactly the same thing in regard to the claim of Kaminan N^o 6432.)

16 Nov. 1852

* Award given April 6 September 1852 on previous testy.

Kaleikini, sworn, says he knows the land claimed by Kaminau, in Kelaweia, Lahaina, and disputed by Pikanale. I live close to it, and know that Pikanale enclosed this piece of land along with his other land in 1840. Pikanale gave Pokai, the husband of Kaminau, the privilege of living on this place, under him. Pokai was a mason and was sometimes employed by Pikanale, who also allowed him to live on the place in question, but the land belongs to Pikanale.

(Decided in favor of Pikanale.)

Kaaka, sworn, says she knows the land of Hauola in "Panawea," Lahaina. It consists of a House Lot and a piece of land for cultivation. He derived it from his parents who held it from the time of Kamohamoha I. His title was never disputed until the time his land was measured, when the Konoehiki disputed his claim to the cultivated land. The House Lot is undisputed. He has always cultivated the piece in dispute and held possession of it. When the present Konoehiki came into office, she put some new men on this place as Lopas, but they have no right there. The land has been Hauola's and his ancestors' from ancient times.

Waiki, sworn, says he knows the piece of land in dispute, and corroborates the testimony of the last witness in full. The Lopas spoken of are new people and have no right whatever to the land.

Koaikaula, sworn, says he is a stranger in "Panawea" & not a Kamahina.

(Decided in favor of Hauola.)

A. Moku, sworn, says he knows the large Loi in dispute between the Blaimant and the King's Agent. It was formerly a waauke patch. It was tramped down and made by all the chiefs and people about Lahaina, for Nahienaena, during her life time. Laahili was the overseer at the making of this patch. Nahienaena reaped the fruit of it while she lived. Laahili has planted it of late for himself. He was Luna of this patch under the King. Nahienaena's people have always received some of the fruits of it. It is generally understood to be the King's property.

G. Naea, sworn, says has heard the testimony of Moku and confirms it in full. Was present when the patch was made for Nahienaena. Laahili had charge of this patch under her while she lived, and after her death he has taken care of it for the King. It is the King's private property, and I never heard of his giving it to any one.

P. Kancle, sworn, says this patch was just made when the rebellion broke out on Kawaii (1826). The patch belongs to the King. Laahili only had charge of it for King.

Z. P. Kaumaea, sworn, says he lived with Laahili in 1844 - his father in law cultivated this patch under Laahili. Laahili's own poalima labor was also applied to this patch. From 1844 to 1848, all the food raised in this patch was taken by Laahili for his own use and benefit. The King got no part of it. I have heard from Laahili that he got it from the King in the Division of 1848.

(See Vol 10 N.S. pp 170 + 171.)

J. Keawaiwi, sworn, says he knows the piece of land belonging to Claimant in Kooka, Lahaina. Knows that Ott has occupied and planted it since the time of Hoapiliwahine.

It is bounded Mauka by Keaana's land, - Olowalu, by "Kio", - Makai, by Kapule's land, - Kaanapali by "Haoikama". Ott has held it without dispute.

H. P. Alexander, sworn, says that at the time he surveyed this piece of land, Kamaun Ehu, the Houshiki, was with him and approved the Survey.

No. 9812⁹. Keaweluaole. (Deceased) from P. 78517

Umuumi, sworn, says he knows the ili of "Kukikapu" claimed by Keaweluaole. He received it from Kekupuohi, an ancient Chief. Ott was a Carpenter and worked for Hoapili. He got the above ili for his labor as a Carpenter, and held it in peace until Hoapili's death. After the death of Kekupuohi, C. Kanaina took away this ili entirely from Keaweluaole. The fence round these lands, of which Kukikapu is one, was built in the time of Kekupuohi at her expense.

The 3 balanis of Kalo (Apapa 5) were taken away from Keaweluaole by Kekupuohi just after the death of Hoapili.

Kaleikini, sworn, says he knows the ili of "Kukikapu". Has heard from David Mals that this ili was given to Ott by Hoapili wahine for his work as a Carpenter in her employment. Ott was a great favorite with Hoapili wahine, and lived with her. She paid Makaulia and myself, for Carpenter work, by giving us land, as she also did with Ott. Keaweluaole gave up

a part of the Kula of this ili to C. Kana'ina, I do not know how much. Thinks, however, that the survey made by Ua is correct, and that all contained in the survey belongs to Olt. Polea, sworn, says he knows that Hoapili gave the ili of Kukui Kapu to Keawelewaale. Hoapili gave the lands to Kekauloahi, which she fenced in. These included Keawelewaale's land. Ever since that time there has been constant pulling and hauling about this land.

J. Keawewi, sworn, says Hoapili did give this ili to Olt. A portion of this land was also given to Kekauloahi. Knows that Keawelewaale held a part of it, because he paid the tax to Wituaf. He refused to pay the tax for the part given to Kekauloahi, and as no one paid the tax Wituaf took away that part of the land.

M. Kekuanana is the wituaf's lord. Kana'ina holds the whole of this land at the present time. The Kalo land, for which Keawelewaale paid taxes has been taken by Kana'ina, and is now in his possession. See Page 38

Lahaina 17th Nov^r 1852.

No. 3420^B. Kawakipi.

J. P. Kaumaea, sworn, says he wrote out the claim of Kawakipi and sent it to the Land Commission, in the month of May 1847.

Wituaf knows the land of claimant. It consists of several Kalo patches and a piece of Kula land, in one piece, in the Ahupuaa of Puou, Lahaina, - 4 Lois, Makai, in the same Ahupuaa, - and a House Lot in the Ahupuaa of Paehi.

The first piece is bounded Mauka, by Mt. Peck and Kailua, - Olowalu by the public road, Makai by Mt. Baldwin, - Kaanapali by Paehi.

The second piece, of 2 Loie, is bounded Manka²⁹ and Olowalu, by the Kouohiki,- Makai by the Graveyard,- Kaanapali by John Stevens.

The third piece, of two Loie, is bounded on Olowalu side by Bete's land,- on all the other sides by the Kouohiki.

The House Lot is bounded Manka by Mr. Baldwin,- Olowalu by Mr. Butler,- Makai by J. Stevens,- Kaanapali by John Stevens and Nauku.

Ott received this land through his father who had it from Mr. Butler in 1824, and has held it since without dispute.

Ott received the House Lot through his father, who got it from Palula, Kouohiki of "Paehi", in the year 1822, or there about, and has held the same in peace ever since. It is enclosed with a fence.

Nauku, sworn, says he knows the land of Ott in "Paeou" and his House Lot in "Paehi". He confirms in full the testimony of Kaunaea. Knows of no opposition to Kawakipi's claim.

See P 66

No. 58. Mapu. (Deceased / R. 1825) 3

Kane, sworn, says he is the brother of Lakana, deceased. The only claim of Lakana is that for his House Lot on the Beach at Lahaina. The two pieces of land in Lakana's claim, which he held under Mapu, his father in law, were not Lakana's ponoi - They belong to the two daughters of Mapu, (his heirs) to whom he left his property in equal parts.

(The Kouohiki consents to Mapu's claim.)

No 7750.

Kukawai.

Fe. 1. 1897

Moakaka, sworn, says she knows the land claimed by Kukawai in Moalii. He received these pieces from Kanale (No 6760) during the life time of Hoapili, and has held and cultivated the land ever since. He has always appeared to hold the land as his own, and not as a lopa.

Mahana, sworn, says he knows that claimant has lived on and occupied the land in dispute since about the time of Hoapili.

No 310.

K. Pikanele.

Counter Makakehan.

Kaohilo, sworn, says he knows the piece of land in the ili of "Kauli", Ukuumehame, disputed by these parties. Makakehan and his relations do not own any part of the land in dispute. It belongs to Pikanele. These people cultivated under him. Makakehan's land is in another Ili.

Kahaia, sworn, confirms the testimony of the last witness in full.

(Decided in favor of Pikanele).

No 3425^B.

Alu.

Kaiheekai, sworn, says he knows the piece of land belonging to Clt in the Ohupuaa of Wainee, Lahaina. He bought this piece from Kekahuna a few years ago, and has sold it since to a foreigner. This land belonged to Kekahuna without dispute.

It is bounded Mauka by Kahuahine, - Ilovalu, by Smith and Brown, - Makai by J. Stackpole, - Kaa-napali by Hanauunua. I have never heard of any one disputing Alu's claim to this Lot. Witness knows also the land of Clt in "Hanakaoo".

It consists of two pieces. The first is a piece of 31 Kalo land, bounded by my land on one side, and by that of Wiliana, a Kanaka, on the other.

The second piece is Kula land, joining mine and Koko's. My father gave this land to Olt about the year 1833, and no one disputes his title to this day.

Pupuka, sworn, says the testimony of the last witness in reference to Olt's land in Kanakoo is all correct.

George Saea, the King's Agent, appeared and laid claim to the Kula land embraced in this claim, for H. M. The King.

Claimant appeared in person and stated that he had never received the land from any person, but that he had at different times cultivated portions of it. Says he does not now cultivate any part of it - has no house there - lives in another place - consents to give it up to the King.

Fr. P. 13

Claimant appeared in person and stated that his claim for land in "Aki" and "Waianaeiki" and "Pahoa", Lahaina, was heard by Mr. Richards and subsequently surveyed by Mr. Alexander. He says also that the widow of Namau, deceased, or Mr. Kekuanooa, have set up a counter claim to the land in Pahoa, and Olt objects to their getting an award until he has opportunity to be heard. He has a claim also in Ukunehame.

Mo. Kenui, sworn, says Kaa put in his claim to the Land Commission in the year 1847.

Witness knows the land of claimant in "Nakalepo", Lahaina. It consists of one piece of kula land, bounded Mauka by a stream, - Bowahu by the Kouohiki, - Makai by the Govt Road, - Kaanapali by Uneli's land. Claimant received this land from Kaumauma in the life time of Nahienaeae.

Kaumauma, sworn, says he is Luna for Daniela Si, the Kouohiki of "Nakalepo". He has heard the testimony given by the former witness and confirms it in full. The Kouohiki does not dispute this claim. Cont^d at page 106.

Kauiala, sworn, says, he knows the House Lot in dispute between Kanae and Kaulalo. This place was occupied by Kanae from the time of Kahiamaea up to the time of his death, about 1848. Kanae built the house which now stands on the Lot, in the time of Hoapili, and rented it out to some foreigners. Kanae's first wife got the place from her brother Kaulalo, deceased, and when she died it came to Kanae and now belongs to his heirs.

Kapule.

Counter Kekuiala (523.)

Puouani, sworn, says he knows the House Lot in dispute between these parties. Kekuiala lived on the place in dispute between them from 1838, till the time of his departure for Honolulu in 1845, when he left the place to Koahou, his younger brother, who lived there for some years, and still claims it, altho' he lives now for the most part in Hamakualoa.

The house which now stands on the lot belongs to man by the name of Mauna, who has lived there for many years but does not own the land. The brother of Kekuiala does not dispute the right of Kapule to the mauka half of the Lot.

N^o 523.

Kekuiala.

The evidence on this claim is given as Counter to Kapule 521. Koahou, the younger brother of Kekuiala, is the present Cit. He says the reason why he removed his house from this Lot was the continual dispute with Kapule.

the circumstance of their being equivalent accounts for present
Non-Cultivation.

from N. J. V. 7. P. 129 Claims in "Paeahu" Maui

Lahaina 19th Nov - 1853

W. P. Dravole sw: states in reference to certain claims in "Paeahu" the land of Mr. Goodale, that he never gave land to any of these, while he was Konohiki of said land, but they were allowed to plant Potatoes on some parts of the land under the Konohiki - Those referred to are
Aimua ⁵³⁶⁹, Kiohikani ⁵³⁸¹ - Naale ⁵³⁶³, Kameihotani ⁵²⁶⁵ - O'Pule ¹⁹⁵⁸⁰ - Wahie ¹²⁹⁶⁴
Koukasiwa ⁵²⁰⁰ - Kaaokole ²⁴³⁵ - Peperdonii ⁷⁹⁷⁵

Witness says these people have no real Kuleanas in the Maui part of the land, but he thinks they have claims to some of the Maui part - where they have occupied and cultivated - going to the labor of the Konohiki.

Kailaa W. Sw. says she knows the land or lot in dispute, between these parties, in the N. of Kahau, in Paunau Lahaina - My husband Kai'pule & my self lived on this lot in time of Hoapili, when Kamawawa was Konohiki of "Paunau". After Kamawawa was displaced from Konohiki ship, Pualimii was Konohiki - Kamawawa went with kinahine to Hawaii she returned & lived on the lot in question with my husband & myself. Then I & my husband went to live farther mauka & Kamawawa remained on this lot - Hoapili was then alive - The house now standing there and occupied by C. T. was built by Kamawawa. The middle fence was built by Koaai the Luna of Tiekauluohi to separate the part of the lot occupied by Keaweakeula from the mauka part occupied by himself & prevent the hogs from straying.

C. 9812 ^Q Keawe huale Kueki Kamaia - Dec 25: 1852

fe. 1851? v 7 and 27/115

Nauteu Sw. says he knows the Mi of "Kutukapua" in dispute - in the time of Hoapili, this Mi belonged to Keawe huale. After this, when Keawe huale was living at Pahaina she wished to cultivate a part of the kula of this Mi - a part of ~~which~~ belonged to Paunau. Keawe huale placed me on it to cultivate. Keawe huale went with me to look at the land & he advised me to take as much of it as I chose, as it belonged to Paunau's "Kelauea". The land pointed out by him extended from the Pahainaluna road to the stream. I employed men to build the fence & plant the land at Keawe huale's expense with consent of Hoapili and also Keawe huale who made no claim to the kula at that time - The kula patches were left for Keawe huale - the mauka fence was built by the Trustees of Pahainaluna.

Uteralele Sw. says he is a Kamaia of "Paunau" and knows the history of the Mi in dispute - Keawe huale held the Mi under Hoapili W. but it was not given to him lilo loa - he has some kula patches made in the testimony of Nauteu is correct.

fe. 125 v 7

Kawaiokahu Sw. says he knows the lot in dispute on the East Side of the Canal at Pahaina. I lived there in the time of Kamehameha I before Kauna - After Kauna Polea went there to live under Hoapili W. and I know that he built a house there in which he lived, but I do not know whether the house belonged to him or to the Chief. Disputed by Kapaakea.

Kaiaaipoo, sworn, says he knows this Lot in dispute between Kaanaana and Kapaakea.

I live on this lot at present. have lived there since 1843. Kapaakea placed me there. The house on this lot in 1843 belonged to Haili who is since deceased. She went to live on Oahu some years ago. Her family occupied the house after she left. I am the elder brother of Haili. The father of Haili was a fisherman for Hoapili who gave him this Lot. Haili gave the lot to Kapaakea in 1844. Lumaawe, a canoe maker for Hoapili also owned a portion

of this lot, and he gave his share to Kapaakea at the same time with Haili.

Upai, sworn, says he knows the Lot in dispute. It belonged to the ancestors of Kaanaana's wife, who lived there from ancient times till the time of their death, when they left it to their daughter.

The people who built the two houses now standing on the Lot lived under the parents of Kaanaana's wife, and had no right to the land. They came to live on this lot at the time the Road was made, but the lot was not given to them.

Kaukikape, sworn, says he knows the place in dispute. It is only lately that any dispute has been had about this lot. It belonged without dispute to the parents of Kaanaana's wife from whom she derived it. The persons who are said to have given this Lot to Kapaakea were only tenants at will themselves and had no right to give away the land to any one.

N^o. 6498.

Kokio.

A. 103 v 7

Disputed by J. Pitko.

Sam. Jackson, being sworn, says he knows the land now in dispute between these parties. Pitko gave this land in charge to my wife, Aki, before 1843. She let Kokio cultivate the land under her. The house lot was occupied by us. We had a house on it which was purchased by Pitko from some one and given by him to my wife. Kokio had no house of his own there until within these two years last past. Aki never gave any part of the land to Kokio, like her, she only allowed him to cultivate as a tenant at will.

Hakoalea, sworn, says Aki held this land in 1842. Kokio was one of her Kanakas and lived in her house and worked for her & her husband as a servant. I do not know that Kokio ever cultivated the piece of land wanted, but it was cultivated by a relation of his named Aki, who formerly lived on a part of the same Ahupuaa, but left it for Oahu three years ago. The house he lived in is still standing unoccupied.

I do not know that Aki, the Konohiki of the land, ever gave any part of it to Kokio or to his father. Kokio never had a house of his own on the land till recently, when, being left in charge of the Konohiki's house, he pulled it down and built one for himself out of the materials, about the year 1849.

G. Hanama, sworn for dt., says he knows the pieces of land now in dispute. Knows that Aki got the land from J. Pitko in 1842, perhaps.

After she got the land she looked round for a man to work on it. She got Tokio to work on the land and he cultivated different spots here and there all over "Kainche". He also lived at the same time in the house of Aki and her husband, which stood on the makai part of what Tokio now claims as his own. So the parties lived up to the year 1850. Tokio built a house on the makai part about 1848. I know that Tokio went to the Palama labor of the Koushiki and he was a sort of Luma also under Aki (the Koushiki) for the whole Ahupuaa.

J. Heawaini, sworn, says he knows the house built by Tokio who bought the sticks from Ilae, on Moaokai, some years ago. Knows that Tokio lived with the Koushiki and was a Luma on the land. he also cultivated some spots of it.

Aki sworn, says he knows the land in dispute. Tokio was a Kanaka of Aki's to whom Pitko'i gave this land. I have seen Tokio working for Aki raising food for her. The house which originally stood on the land was purchased by Pitko'i from my brother in law, and given to Aki. When this house was pulled down Tokio built a new one on the land. This was about four years ago. He lived previously on another place. Tokio appears to have put in his claim secretly without the Koushiki having suspected anything of it till recently. I never knew of Aki giving any land to Tokio. I only know that he worked for her as a laborer.

M. Kensei, sworn, says he knows the pieces of land in dispute. Aki gave the two makai strips to Tokio. Does not recollect at what time exactly. When Pitko'i gave the land to Aki there was no Kanaka living on it. That was about 1841 perhaps. Tokio lived at "Aupokopoko". Aki sent a man named Mahoe

to bring Koki down to work on her land and go to the Palima labor. Koki came down and lived in Aki's house with her family. He then went to work on the makai strips and also manuka. Koki was in charge of "kainche" for Aki, but he lived there as a hoama. The house now standing was built about 3 or 4 years ago by Koki. Before he built the house he lived up at "Aupokopoko" for 2 or 3 years, during which time he was sick and unable to go to the labor of the Kouhiki. During this time his uncle (Aki) cultivated the land in question. I think his uncle lived on the manuka part of the makai moos, but I do not know to whom the house belonged which he occupied.

Mahee, sworn, says Aki (the Kouhiki) directed him to seek for a hoama to cultivate her land. He did so, & brought Koki to her. Koki lived in Aki's house and cultivated her land both makai and manuka. (Witness says that Akaoaewa, Pitko's man, is endeavoring to wrong Koki out of this land for his own advantage.)

p. 158 V 7

Disputed by name.

Pikanele, sworn, says he was Koushiki of the land now in dispute from 1840 up to the present time. In 1840, the father of Nami (Kaisims) was living on the place in dispute, and cultivated it up to the time the King went to Oahu to live (1845) when he accompanied the King in his suite. In the year 1846 Kaisims heard that I had taken away a part of his land and he came up from Oahu bringing a letter from John Young to me about it, commanding me to give the land back to Kaisims. I gave him back his land. Kapihemui never had any claim to the land now in dispute - his land adjoins this.

Lee, sworn, says he knows the place in dispute. It belonged to Kaisims from ancient times, and he derived it from Kilepa his mother in law. When he died he left this land to his daughter Nami, the present claimant. I was a Landa under the Koushiki of the land and am well acquainted with all the Kilepas. Kapihemui had no right to the place in dispute. Her place adjoins this and was separated from it by a stone wall.

Disputed by Kalaiope.

Kamohar, sworn, says he knows the piece of land now in dispute between these parties, in Makila, Lahaina.

Kalaiope, (since dead) gave 5 patches in that place to Kanahele, after the time of Lord George in 1844 perhaps. Kalaiope said to Kanahele, here are 5 patches, you can have them to cultivate if you will go to the labor days of the Koushiki.

(Kanahele withdraws his claim).

N^o 9583. B. Liukua.

Moke, sworn, says he knows the land of Liukua, in "Puehuchunui", Lahaina. It consists of a House lot, - a piece farther mauka, enclosed by a fence, - and a piece of Kalo land farther up Hill.

The House lot is bounded, Mauka, by Moke's land, - Ohowahu side by Oo's land, - Makai by Iwa's land, - Kaanapali side by the Palima and Ka-nei's land.

The second piece is bounded, on Ohowahu side by a stream, - Mauka, by the land of Iwa, - Kaanapali side and Makai by the Kula land.

The third piece is bounded, on Ohowahu side by a stream, - Makai by Iwa's land and the Palima, - Kaanapali side by a Palima, - Mauka by Oo.

Claimant received the land from Kaha-kuna, the Kauhiki, in 1839, and has held the same without dispute ever since.

Iwa, sworn, says he knows the land of Liukua, and confirms in full the testimony, of the last witness.

Claimant appears in person and withdraws his claim to a piece of land, mentioned in his claim, situate in "Makila", Lahaina.

N^o 5746. Kalaimoku

Disputed by the King.

Iwa, sworn, says he knows the lot in "Puehuchunui" claimed by Kalaimoku and disputed by the King. It is enclosed by a stone wall, except on the side where it borders on the new road. After Kalaimoku got possession of this lot he built a grass house on it, which fell down some years ago. He built the fence round the lot at his own expense. Pahia has

charge of the lot at present for the heirs of Kalaimoku. This lot was given to Kalaimoku about the year 1841 or 1842.

Hoku, sworn, knows the lot in dispute, in "Puchichunui". It is enclosed by a stone fence which was built by claimant. This place was in ancient times a Palima, in the time of Kalimaeka under Hoapili. After Kalimaeka's death, it was given to claimant by Kahakuna who was then Konohiki, in the year 1842. Kalaimoku was one of the King's retainers. It was given to claimant as a place to cultivate. It was cultivated by his people for several years, and when he went to Oahu with the King, he left a man in charge of the place.

Co, sworn, knows the place in dispute. It was a Palima in former times and up to the time it was given to claimant (in 1842) witness confirms in full the testimony given by the former witness.

Kalehu, sworn, knows the place in dispute. It was given by the King to claimant as a place to cultivate. The King asked Hoapili for a piece of land for claimant. Hoapili ordered Kahakuna to give him the place in dispute at the King's request. Thinks it was in the year 1840. Kalaimoku employed people to build the fence round the lot. does not know whether they were paid for building it with the King's money, or with claimant's. The man who lived on the lot under claimant built a house on it, which fell down some years ago.

(The King is proprietor of "Puchichunui", the Ahupuaa in which the above lot is situated).

Disputed by the King.
Lutewa, sworn, says he knows the piece of land claimed by Kamamui in "Peehuchunui," and disputed by the King. Kakehima, the former Kono-hiki, gave the Kalo patches to Kamamui in the year 1842, and he has held and cultivated these patches ever since. I know also that he has cultivated portions of the Kula land - how much I cannot say precisely. A large part of what claimant has had surveyed is pali land, of very little value.

Co. Sworn, says he knows the land in dispute between these parties. The Kula part of it is quite stony, but I know that Kamamui has cultivated largely on the place claimed by him. It forms a long narrow strip as shown on the survey made by Mr. Alexander. Claimant has worked faithfully for the Kono-hiki on his labor days.

Disputed by S. Laakili.

Puwale, sworn, knows the four pieces of land in dispute, situated in "Peehuchunui." They were given to Kakehima, claimant's husband, by Peepue, in 1845. Claimant's husband cultivated the land in dispute, up to his death in 1847. He alone reaped the benefit of the land. At his death the land descended to his wife, after which the claim was disputed by the Kono-hiki. Claimant's husband went regularly to the Kono-hiki's labor. Witness heard Peepue give the land to claimant's husband, without any condition. Peepue was Luma of the land under Laakili. The gift was absolute.

Cross examined.

Peepue was the only person who had any thing to do with the gift. Witness understood

614
from Pūepue that the gift was absolute. Knows
that claimant's husband went to the Palima labor
of the Koushiki. There were sixteen kalo patches
given.

Disputed by Laahili.

Kawakineai, sworn, knows the piece of land in
dispute. Claimant has two kalo patches and a
piece of Kula land - he has cultivated the land - he
has planted potatoes on it. It was given to him by
Pūepue. Claimant has always received the produce
of the land. The Koushiki has four patches on
the land - also a Bullock pen on the Kula. Claim-
ant always went to the Koushiki's labor days. The
gift was after the King went to Honolulu to reside
(1845) - cannot say how long after.

Shea, sworn, and being shown the survey made by
W. P. Alexander, recognizes the land claimed by Ka-
areai and states that the piece marked palima
on the diagram contains the four kalo patches and
bullock-pen, mentioned by last witness as belonging
to the Koushiki, are not included in the land
claimed by Kaareai. Witness lives close by the land
and heard Pūepue give it to claimant on condition
of his going to the Palima labor. Claimant always
went to the Koushiki's labor and paid his taxes up to
the death of Pūepue. Claimant has seven kalo
patches and a house lot in the same piece.

Cross examined.

Witness was present when Pūepue gave claimant
the land - does not know the precise time it was
given. Knows of no Palima in the Kula land - does
not remember who was present when the land was
given to claimant. Kaumaea went there some time
after as Laahili's Agent.

J. W. Austin presents the award of the Land Commission to Kawa No. 4320 Apaua 2, dated 18th Feb'y 1851, awarding to him 9 Acres 1 Rood and 24 Rods in one piece of land in "Peako", Lahaina. He presents at the same time a warranty Deed from Kawa to J. B. Hubble dated August 2nd 1851, conveying to the said Hubble the same piece of land mentioned in the above award showing the same area and same boundaries; - and he further presents a warranty deed from the said Hubble and his wife, Hals, to A. W. Parsons, conveying to him the same piece of land, dated 15th December 1851; and he further presents a quit claim Deed from J. W. Austin, as Administrator of the Estate of A. W. Parsons, conveying to J. B. Cummings all the right, title and interest of the said Parsons to the part of the land remaining in his possession at the time of his death, he having previously sold a portion of it to B. F. Pollock. quit claim deed dated 29th day of October 1852. And he further presents a quit claim Deed from J. B. Cummings to F. W. Hutchinson dated 29th October 1852. It appears that Nailiili lived on a portion of the land awarded to Kawa (which he subsequently conveyed to Hubble as above). Nailiili has accepted from F. W. Hutchinson a life estate for the part he now occupies, the land having been originally sold by Kawa on condition that he (Nailiili) should not be disturbed during his life.

(Nailiili and Kawa both state that the land in question belonged wholly to Kawa, and Nailiili lived under him, having no claim to the soil. And Nailiili says he is satisfied to hold the place he occupies during his life and then leave it to the purchaser.)

Disputed by M. Butler

Kanaia in the Survey of Kawakipi appears from inspection to be the same precisely as the piece called the "unoccupied place" in E. R. Butler's claim for "Pou", awarded to him April 15th 1847.

Kawakipi, sworn, says that he put in a claim for his Kuleana, but does not know when Kamea wrote the claim. Does not know when it was done but remembers it was at the Hale Piula - is certain Kamea wrote it - does not know whether he signed it - does not know what was written in the paper. There are seven Kalo patches and some dry ground - The claim was written in 1849, May or June, when Judge Lee and L. Kamehameha were at Lahaina. Knows the piece of land rented to the foreigner. The rent was paid to Mary Butler and she divided with witnesses. M. Butler brought up ^{claimant} ~~witness~~ from childhood. Claimant was one of Butler's Kanakas.

Pai, sworn, witness was in M. Austin's Office when a conversation took place about Kawakipi releasing his claim in favor of Mary Butler. M. Austin asked Kawakipi if he had a claim in "Pou" - he said he had. M. Austin said he had no right to the place as he was only a Kanaka of Butler's, but that he should enjoy the land as long as he lived. Witness also explained the matter to Kawakipi.

Kamea, sworn, was present when Austin and Kawakipi went up to the land, and heard the conversation - heard Austin say to Kawakipi, this land is Mary's - you can use the food but the land belongs to Mary. Witness said to Kawakipi you had better let the matter rest till your brother comes, he (Kawakipi) said I will not wait - I can settle it

67

myself. Witness then said, stop, till Mary comes - the land will go to the foreigners. Kawakipi said, no, no, I know nothing of the foreigners - I live under Mary. Witness then said you had better wait till Kaumaea comes, perhaps he has put in a claim for it. He then replied, Kaumaea has nothing to do with it - it is my own business. Heard Mr. Austin tell him that he could live there as he always had lived.

(Counter Claimant presents a release of title from Kawakipi to Hannah Butler, dated May 4th 1853. but apart from this, the counter claimant is willing to dispute the claim on its merits.)

(Decided in favor of Mr. Butler's heirs.)

P. P 159 V 7

Mr. Kenner, sworn, says he knows the piece of land mauka given to claimant by John Mamaki, deceased. It is situated in the land called "Puu Ki" (or Kealii). Witness being shown the survey made by Mr. Alexander thinks the same is correct. Claimant got this land from John Mamaki his son in law in the life time of Hoapili. Claimant has held this land ever since. Mamaki was the Konohiki under Kahienua and Hoapili. He has cultivated parts of it. Namau formerly owned this land, and Hoapili wishing to give a land to Mamaki effected an exchange thro' Keimaka and got this land which he gave to Mamaki. Moahana used to cultivate portions of it.

Keone.

Claimant, being sworn, deposed that she gave in her claim to Mr. Richards, at Lahaina, in the year 1847, and had it surveyed at the same time by J. Richardson (produced a copy of the survey).

J. Keawe'wi, sworn, says he knows the House lot of Keone, in "Kuhua", Lahaina.

It is bounded, on Obowali side by Maala's land, Makai by Hale's lot, Kaanapali side by "Kuhuanui", - Mauka by Imiwali's land.

Claimant has also a piece of Kula land, in "Kuhuanui", - it is surrounded by the land of the Konohiki, I think.

She has also another House lot, in "Kuhuanui", bounded on Obowali side by a stream, - Makai by Moali, - Kaanapali side by Timoteo, - Mauka by Kekahunas land. It is enclosed and belonged to claimant's husband, and is still occupied by some of her relatives.

Claimant has also a Kalo patch, adjoining the first mentioned House lot, in "Kuhua". It is bounded on Obowali side by a watercourse, - Makai by Wahine's land, - On the other sides, by the same.

Claimant derived her lands from her husband who got ~~the~~ from Kipa in ancient times, and has always held undisturbed possession of them. Kiheloa, sworn, says he is Luma of "Kuhua" under Haa'lele, and he knows the pieces of land claimed by Keone. She and her family have held them ever since witness came to live on "Kuhua" - seven years ago.

Disputed by Laahili.

Namaka, sworn, says he knows the land claimed by Kaearai. A portion of the land included in the survey now shown was formerly cultivated by the poalima labor of the Konohiki. Kaearai has not cultivated this part, but he has cultivated the Kalo patches and a portion of the Kula, and has a house standing on the land.

Hone, sworn, says he knows the land in dispute.

Kapupui gave Kaearai the land he has planted. The land makai of claimant's house is a poalima. The land has not been cultivated by the poalima labor since it was given to Kaearai. He has planted the Kalo patches but not the Kula which he claims. I do not know how many Lo's he has - he has a house there. (Claimant states that he does not cultivate the Kula, but feeds his horses &c on it.)

Disputed by Laahili.

Maahu, sworn, says he knows the pieces of land now in dispute, - they were given to claimant's husband in 1847, by Kaumaea the Luma. Kaumaea gave these pieces to him to plant on shares. He did plant there but died in less than a year. He did not cultivate these patches previous to 1847. They were cultivated by a person named Kaiehu, deceased. The makai piece (undisputed) is the only one given to claimant's husband by Paepe. Claimant herself cultivated some after the death of her husband.

~~Maahu~~ Kaapili, sworn, says he knows the pieces of land in dispute. Kaiehuikawaha was cultivating these patches in 1844. He got five patches from Paepe. I was present and heard the gift. He went regularly to the Poalima labor. Claimant herself

70
has cultivated some of the pieces since her
husband's death. No one else has cultivated these
pieces. I am the brother of Kanealoha.

Kauki's sworn sons he knows the pieces of land
in dispute. I know that when the food was ripe
in the patches, claimant's husband took a portion
of it and Kaumae's men took the balance.

Kaleleiki, sworn, - knows the place in dispute. It is situated in "Pahoa" and enclosed by a stone fence. The fence was made by claimant in 1845. He received the place from Namani in the same year. It was given as lands were generally given to Kanakas at that time. Claimant built a house on the place and cultivated it. he has lived there ever since - no one else lives inside the fence. There is no Kuleana on it. He paid a rent of 50 cents a year for it. He never went to the Koushiki's laboi. he has held uninterrupted possession of the place up to this time. Claimant was agent for Namani in overseeing his lands on different parts of Maui, and collecting money &c, and received the place now in dispute in consideration of his services.

Witness is Konoheki of Pahoa.

Kaleleiki, sworn, knows the House lot in dispute between these parties, situated in "Alii", Lahaina. It is enclosed by a fence and adjoins the lot of Thomas Phillips. When the main street of Lahaina was opened, the King gave certain pieces of land lying between the street and the sea, to his own personal retainers. At that time he gave the lot now in dispute to Kalawale, and his wife Kaunushua. They occupied it till the death of Kalawale about the year 1837, and his wife continued to occupy it till she went to Oahu with the King, in 1845, when she left her lot in charge of some of her people. George Kaea has had charge of the place for several years for the claimant and her heirs. Claimant fenced in the lot, built houses on it, and planted trees there.

Nashu.

Disputed by Kekuanana.

J. P. Kaumaea, sworn, knows the place in dispute. Nashu enclosed it with a fence in the year 1846 - in the early part of that year. and built a house on the lot. He lived on the place. Witness, as Agent for J. Laahili, disputes the boundary on the Kaa-napali side.

Kaleleiki, sworn, knows the boundary disputed by J. Laahili. Knows that the aewai is the proper boundary on that side. Knows that when Nashu built the fence the boundary was disputed by Laahili, and acknowledged to be so by claimant, who offered to hold the piece in dispute under Laahili. But it has been included in the survey made by Mt. Alexander, probably by mistake.

This is the only difficulty about claimant's title that I have ever heard of. He paid the \$10 to Keaweheale, in 1848, per Lap.

Kanakani.

Hekai, the owner of $\frac{1}{2}$ of "Kapunakea", by the Division of 1848, having complained that Kanakani had succeeded in getting an Award for the land claimed by him, by fraud & misrepresentation and without any just claim, I went on to the ground this morning and examined the land. I called together the people living near, and had the boundaries of the land pointed out. I enquired into the claim set up by Kanakani, who had included in his survey more than half of "Kapunakea", and being satisfied that he has no claim to any part of this land, I withdrew his award, dated 10th Sept^r. 1851, for the purpose of having it cancelled, if so decided by the Board.

Disputed by J. Pitkoi.

Claimant appeared, together with Pitkoi's Agent, and from the statements of both parties it appears that Kapule began to cultivate the moos claimed by him in "Kainoko", Lahaina, in the year 1843, and continued to do so till 1849, when Pitkoi objected to his claim, since which time Kapule has not cultivated the land. Kapule says he has never had this piece of land surveyed, because he did not feel confident of his right to claim it.

Keaweluaole

Disputed by Malua (6729).

A. Moku, sworn, says he knows the Kalo patch in dispute between these parties, just outside of Unuemi's house. This was a Kalo patch in ancient times I think belonging to the land of Keaweluaole. When I was tax Officer, in 1848 perhaps, I had a hearing between these parties about the patch in question. It appeared to me at that time that this patch belonged to Keaweluaole.

Unuemi, sworn, says he knows the Kalo patch in dispute. It belonged to a man called Kapahumoa, in the time of Kaahumanu. Soon after that, Kapahumoa left this land. Hoapili asked Kamanawa to give Keaweluaole an ili of land, and he gave him this ili which is called "Kuarpuuaiki". Keaweluaole thus became possessed of the patch now in dispute. Keaweluaole made this a pualima for himself, and it was planted by the men of the land

for his benefit and not for that of the Chief.

The continued for six years, when the Ahupuaa of "Pauwau", in which this ili is situated, was given to Kamakini (after 1839). Kamakini made Malus his Kanaka on this land, and he (Malus) took away the place in dispute from Keawe-waale. Then Keawe-waale appealed to Mooker, the Tax Officer, (in 1848) who gave his decision in favor of Keawe-waale. Notwithstanding this decision, Malus refused to give up the patch, and so the matter has remained up to this time.

I. Kakuha, sworn, knows the patch in dispute. It belonged to, or was occupied by Malus in the time of Kamehameha I. He confirms in general the testimony of the last witness. The patch in dispute belongs to Malus (or his heir). He cultivated this patch from the time it was restored to him by Kamakini (or Puahini) up to his death, and his widow has held it since, up to this time. The food now growing there belongs to her.

Disputed by the King.

Henry L. Brooks, sworn, knows the land in dis-
pute. Anuwae, the former possessor of this land
died on the 16th day of November 1834. After the
death of Anuwae the land was given by the King
to Kaoo. There was nothing planted on the land
on the land till the year 1836, when Mr. Richards
divided it out to the people to plant sugar cane
for the King on shares. Witness and some other
foreigners were employed to grind the cane.
After the cane was ground off, the land has
never been cultivated up to this time. Claim-
ant has no house on this land.

Munia

A. P. L. 77

Disputed by Kanaima

KeKanele, Sworn, says he knows the House lot now in dispute. Munia built his first house on this Lot in 1842 and has occupied it up to the present time. I do not know who gave him the lot or who allowed him to build on it. He rented his house at different times. This Lot is in the Ahupuaa of Puako, which belonged to Kalsimoken and afterwards, to Kahalaua. KeKaulohe made the lane which runs from the main road to the sea side, and which cut through Munia's lot. Munia built the enclosure around the lot. After Kahalaua's death, Puako came to KeKaulohe to whose heirs it now belongs.

Hikio, Sworn, says Hoapili gave this lot to Munia in the year 1842. Munia and his wife Kaiahehu lived on the place a year or two previous to this gift by Hoapili. I was present when Hoapili gave the lot to them. I think the Ahupuaa of Puako belonged to KeKaulohe at that time. There was a grass house there before which was occupied by a man belonging to Hoapili, named Luhiluki, who died about the time Munia got the lot. Luhiluki had a wooden fence round the lot, and when that fell down Munia replaced it with an adobe wall. Kaiahehu was an akeane of Hoapiliwahine, which probably was the occasion of the gift. Hoapiliwahine told Kaiahehu, in my hearing, to pull down the old grass house then standing on the lot and erect a good house on it for her and her husband Munia. Munia then went to work and built his house on the lot. I was one of Kaaimalalio's retainers. She gave Kaiahehu a small piece of land manuka at the same time.

I. Kalekimi, sworn. I was Luna for Hoapiliwahine in 1842, and was present when she gave this lot to Nariakelu (her akane) the wife of Niua. Nariakelu was the bosom friend of Hoapiliwahine. When Niua got the lot he pulled down the old grass house then standing there, and erected a house of stone and mud. There were several chiefs present when Hoapiliwahine gave the lot to Nariakelu. The reason of the gift was that Hoapili wished to have her friend Nariakelu close to her own residence. I understood the gift to be absolute and lilo loa.

N^o 3421¹³ Kaaa.

Kanemo, sworn, knows that Kaaa put in his claim for three pieces of land in the year 1847. The claim was given to T. Kaawari at the same time as several other persons gave in their claims.

Witness knows the pieces of land claimed by Kaaa. The first piece is situated in "Kakalepo", and is bounded, Mauka, by the watercourse - Kaanapali, by the Kings and Kasis lands, - Makai, by Ulu's land, - Howalu, by the Konohiki.

The second piece is situated in "Kuhohiloa", and bounded, Mauka, by the Konohiki's land, - Howalu, by the watercourse, - Makai, by Kaanakai's land, - Kaanapali, by the Konohiki.

The third piece is situated in "Kelawea", and bounded, Mauka, by Pikanee's land, - Howalu, by Kaemaena's land, - Makai, by the main road, - Kaanapali, by the same.

Lot N^o 1, was given to claimant by Kaumaena at the time Kamaeimi was Tax Gatherer in the year 1839.

Lot N^o 2, was given to claimant by Kaemaena in the year 1847.

107

Lot N^o 3, was given to claimant by Keaweheale in the year 1847.

He held undisturbed possession of these several Lots up to the time of his death in 1857.

Kaleipuleho, sworn, says he wrote out the claim for this piece (overlooked before), in 1847.

Peperao, sworn, I know this lot of claimant in the ili of Ukiki, "Waiehu". Claimant received it from Kawai before 1830, and has held without dispute. There is no poalima in it. It is bounded,

- Mauka, by ili Lualailua, -
- Waiehu, " Konohiki's land, -

There is also a House lot in Lualailua belonging to claimant, and which he received at the same time from Kawai. It is bounded,

Kaleipuleho, made oath that he wrote out this claim before the year 1848, and that it was given in to the Land Commissioners at Waikuku

Kaiama, sworn, says the claimant's land consists of two pieces, in Waikuku, Hawaii

- N^o 1 is a fish pond in Pankukalo
- " 2 " 6 Lots in the ili of Kapaaalo

The 1st received N^o 1, from his mother Kumukalani, in the days of Kamehameha II.

N^o 2 he received from Hanalulu in 1845, and he from Kailihiwa before 1838, and he from Kalauwala in 1836. His title has never been disputed.

- N^o 1 is bounded,
- Mauka, by the King's Land.
- Kaalaea, " " Poalima.
- Makai, " " Kian - a fish pond.
- Waikoo, " the land of Polapola.

N^o 2 is bounded,
On all sides by Hanalulu's land.

January 15th 1853.

(Kaupaa, for the Konoehiki, disputes the fish pond in Pankukalo. -)

Kahale, sworn, I remember the parents of Kalaihoa since 1828. About 1835, Kalaihoa returned from Oahu, and as was common for boys to be much about the King's men I, with other boys was much about the door of Claimant. About this time I went with some other boys for goats which had been given to Kalaihoa. We brought four goats. He told us we might keep the goats for ourselves (ai) and cultivate a piece for him. We did so and took the piece in dispute which was then lying as waste land without any appearance of

111

cultivation. We worked it into hillocks as usual with such lands and made a border, and it was planted with kalo and cane and stocked with fish. In 1836 I went to Lahaina to school and when I returned home in 1840 it was still in possession of Kalaihoa and was cultivated as we had commenced it. But I never knew that it was ever cultivated as a poalima.

Kula, sworn. The disputed Loko was worked as a poalima in very ancient times, but in the days of Kam^a II it became the property or possession of the mother of claimant, and has continued in their possession ever since.

Kau, sworn. In the days of Kam^a II Melaula came to 'Paukukalo', which was then entirely unimproved, and laid out and cultivated it. He laid out a number of Hakuones of which this was one, and was cultivated as such till the time of Kam^a II when Olt came to live there.
