Waiuku July 26, 1849.  
Chas. Coff.

This is a claim for land in Waikapa, Maui.

To Kaauwai Sr. I know the land of the Claimant in Waikapa. It is the id of Laukua. It is in three pieces. One the lowland. One a hole land in the Valley, and the third a hi'a waike.

The Claimant received this from Hoapiji wahine in 1836, and I never heard his title disputed to this day. Hoapiji Wahine saw Mr. Coff's trouble in Lahaina, and gave him this land. He used to make clothes for Let his Grandson Joseph. Could now live on the land, as Mr. Coff has rented it to him. Halei has put in a Claim for a part of the lowland, but I don't know the foundation of the Claim. The land has been surveyed in part by Mr. Metcalf.

Chas. Hoanuwai Sr. I know the land of the Claimant. The testimony of Kaauwai is correct. I was with the Surveyor Mr. Metcalf when he surveyed the land, and the old man Haa who pointed out the land to Mr. Coff, in the first place went with him and pointed out the correct bounds of the lowland. The second and third pieces were of so small value that they were not surveyed.

from 379 & 4 Wainea 26 March 1851.  
No 6202. Francis Davis.

James Fay, sworn deposed, that Claimant was a servant of Governor Adams for many years. Frank Day asked the Governor if he would give him the land in question. Kuakini did give it to him and said it was his own fault that he did not have a land before. The land is as the Governor's own and he gave it absolutely to Frank in return for his services, telling Kaitipuna and Kapiain who had charge of it that he had given the land to Claimant and they must not disturb him in the occupation of it. This was about twelve years ago. Probably in 1837. This gift was made in my presence at Wainea. Claimant and his people have held it ever since without molestation.

Harry Purdy, confirms the above statement in full, - as do all the old residents of Wainea.

pute.

Jeremiah Marten 3659.

John G. Munn, sworn, says he knows the  
House Lot of Olt in Kainalieu, Kona.  
Olt got it from Mr. Samuel Rice about  
1828. It is enclosed with a stone wall.  
It believes he has held it ever since. He  
had also a piece of Land inside of  
the Great Wall. Gov<sup>r</sup> Adams told me  
that Marten had a piece of land there  
for cultivation. This was about 15 years  
ago. I don't know how much land he  
had - or whether he continues to cultivate  
it or not.

Naniani, sworn, says he knows the ~~House~~  
Lot of Olt Maunka of the Great Wall.  
He got it from Kuakini before the death  
of Nahienua. He held it under Kua-  
kini, the same as a common native.  
Olt allowed several natives to cultivate  
on the land and they were his Hoasias.  
The Ili was called Opekea. At that  
time the land was sold to Mr. W<sup>m</sup> Johnson  
there were two natives living on it, Haa  
and Kukauai.

note. Charles Hall claims a right of cart way through the House Lot of Martin, and in consideration of this Martin agrees and guarantees, that if the Cart Road at present used by Hall is ever closed up, then Hall shall have a road through his (Martin's) Lot, to the Govt Road.

(Mr. Martin has applied to the Minister of the Interior for 50 acres of Land in another place, in view of his claim within the boundary of the land sold by the Govt to Mr. W. Johnson.)

John G. Munn 3660.  
 Jeremiah Martin, sworn, says the land in question, an Ili in Kahaalua called Kahaia, was originally given by Gov. Adams to Francis Davis. Some time afterwards, Davis committed adultery with some woman in Kahaia, and the Gov. took away the land from him. Mr. Munn came to Kahaia about this time, perhaps 1829, and the Gov. told him he might have the land and cultivate it. The Gov. told me he had given the land to Munn, and said Munn had given him some money, I don't know how much. Kanikapulei has taken care of the land under Mr. Munn. Mr. Munn's family have lived there at different times.

Charles Hall, sworn, says when I came on this Island, in 1833, Munn and F. Davis were living on the land in question.

In 1839 Kanekapulei went to the Govt. in my presence, and paid in \$50 to him in account of Mr. Munn's land at Kashi'a.

Kekoa, sworn, says he knows the Ili of Kashi'a, in Hali'aloa I. I heard that the land had been given to Kanekapulei. I did not know that it was given to Mr. Munn. It is a piece of Kalo and potato land - 5 Kikapais. The Konoheke has all of these as Koles however, Umioikalani having given over this land to the Oupuni in 1848. There was only a Konoheke then & has no title of her own. The land is now worked by others.

11188 G. L. Kapeau, Gov<sup>r</sup> of Hawaii, }  
for the Government No. 11188 }

This is a Counter claim to Umioikalani & the heirs of W<sup>m</sup> S. Leliokoku for certain lands in Kailua.

Kalo, sworn, says, I know the lands of Umioikalani & Leliokoku at Kailua. I was a servant of Old Kamehameha when he lived here, and am a son of Kona.

The Fort Land as claimed by Leliokoku, or rather the land inside of the Fort, is not his. It belonged to Kamehameha I, and was enclosed by a small wall.

685

The big wall was put there by Kuakini, but it was only making the small wall larger. This land inside of the Fort is not private property belonging to the heirs of John Adams, but belongs to the Aupuni, or if not to Kamehameha III.

The lot claimed by Umiokalani outside of the Fort is the property of Umiokalani but not the whole of it - a portion belongs to the Gov<sup>t</sup>, as it has come down from Kamehameha I. The division is the "Hale aki" which is a long house built for the men or servants of our old King Kamehameha. We built boats there.

There is also a portion of the House Lot of Loe that belongs to the Aupuni, which has been taken by Leleiohoku. The title is in Loe's name. I can point out the portion belonging to the Gov<sup>t</sup> - better than I can describe it.

Moses Moo, sworn says - I know that the land inside of the Fort was Kamehameha's. I lived with him as his servant for a great many years. At the present time I can't say to whom it belongs.

A portion of Umiokalani's lot belongs to Gov<sup>t</sup> - The true division I can point out - It is the old "Hale aki" or long house. It is now fallen but the foundation is plain to be seen.

The House Lot of Loe is also in part the property of Gov<sup>t</sup> - as I can point out.

Kawaihau 46<sup>th</sup> Dec<sup>r</sup> 1857.

✓ Lorenzo B. Lincoln 8513.

George Davis Keen, sworn, says he does not know of Governor Kuakini's having given the land in question to Lincoln, but he knows that Lincoln has lived on it, probably since 1839. Does not think that his right to live on the land has ever been disputed by any person.

Puekapeu 10<sup>th</sup> January 1852.

✓ John Wood N<sup>o</sup>. 1278

John Davis sworn, says I know the place claimed by John Wood in Waipio, Hamakua, Hawaii. It consists of a House Lot only, which is fenced in. Claimant got the place from Nakune, who was a Kono-hiki in Waipio, about eighteen years ago. He has occupied the Lot ever since without dispute.

(Claimant states that almost all the people who know about his getting the land are dead. He asked one old man to come up and give testimony, but he refused.)
