Monday

July 1. 1850.

Thua Eto sworn says I know that my claim was written out by Kapiku, & was given to Kapuniia'i to forward to Oahu, I gave it to Kapuniia'i.

Kamooehaku sworn says I know Eto land, It is the mo- Kanaele 2. in the ili of Pehawai in Waimea Kauai; There are -

See Page 230

6308 Kamoku

The following is testimony in disputed ^{claim} of the claim N^o 6308. Kamoku Eto, the evidence on which is recorded in sheet 30th. Samuela Samee disputed that claim.

Opunui sworn, says After the death of Kekipi, I heard Samuela Samee inquire of Kahihiui.

the father of Kamuku," who is the heir of Kekipi? into whose possession does his land fall?" Kahuikui replied. "He had no heir, you two are the heir" meaning Samuela & Kamakahelu. Kamakahelu is the Kumuiki of the land, This is all I know about it.

Samu Sworn, says Kekipi died in Feb. 1849, soon after which Kamakahelu told me to go with prisoners & put Kekipi's land in order. I was lone of the prisoners. Kamakahelu is district Judge. Kahuikui had not heard that there was any heir to claim the land. I went & cleared the land of weeds but did not plant it. Nothing more was done to the land till this year 1850 in May, when immediately cleared it again & planted it. & was not forbidden to do by any one.

Kahuikui sworn. says I was a witness before the sub-commission when the evidence in favor of Kamoku's was taken this is reason that Samuela was not forbidden to plant the land; we knew that Kekipi had presented his claim to the Land Commission, but we had no faith in land claims & did not suppose his claim would ever be brought to light again & therefore thought it of no use to attempt to present the land from reverting to the Kumuiki. But when the claims were returned to have evidence taken on them, we then thought Kekipi's claim, was valid & I gave my testimony accordingly in favor of his case & adopted daughter Kamoku, & did not suppose there would be any opposition to it. Kamoku was adopted by her uncle Kekipi from her birth & has always lived with him as a daughter.

See overworld sworn, says. I heard Kekipi say before his death that he wished his daughter Kamoku to have all his property, his land, house & other property. He was ill & had partly lost his reason but was but slightly deranged at that time, but afterwards became entirely insane, It was in his own house & mine were present but the Kamoku & my-

self.

Samuel appeared & said that he did not consider that he has any claim to the horse lot & hula; in decided in Hamohui's claim, but only to the tare patches.

Monday

Dec 16th 1850.

L307^B Kaibaa's Oath sworn, says I know that my claim was made out by Keliokauai & was put into the hands of Kapuniia'i to carry to Oahu previous to February 1848.

Kakuhiwa's sworn says I know Olo lands they are:
No. 1. 4 Lis
No. 2. A pihale, both in Kahuwera
a moa in Pekeawai an' ili in Waimea, Hawaii.

They are Bounded.

No. 1. Maupaa by Upea's moa, Hanapepe, Kala-hishahi & Kote, Makai, Hakuole's moa, Mauna, by Ima's li.

No. 2. Maupaa, by Ima's li, Hanapepe, by Hakuole's li, Makai, by Kanaoia's li, Mauna, by the pali of Ohi.

Olo rec'd these land from Kapuniia'i in the days of Kinaw, & his title to them is not disputed.

Imma's sworn, verified the testimony of Kakuhiwa.

See Page 233

L308^B Haninaualii Olo.

Samuel's sworn, says, I was unanimous for Olo when he made out his claim, & I know it was made out at the proper time, & was put into Mrs. Rivett's hands to forward to the commission.

Olo's land is in the ^{li} of Oeama in Waimea, Hawaii.

It is bounded:

Maupaa, by Kote & Kanaoia's Land, Hanapepe.

by the pahale of Pooohide; Makai, by the pahale of ²²¹
Kopapa, Mawa, by the river Waimea.

Ult nec? This land from Kauhikiewa in the days
of Kinau & his title to it was never disputed till after
Feb. 1848. Soon after this time this Kauhiki attempted to
take away this land from Ult. & give it to Ult's man,
but without Ult's consent, reason assigned by the Kauhiki
for taking the land away was that Ult had forsaken
the land being absent from it much of the time,
at work at his trade that of blacksmith. But
Ult has never forsaken the land, & still hold
possession of it & keeps a man there to take care
of it.

Kaupiki sworn, verified the testimony of Samuel.

Ima Kamoopohaku sworn says. I am the lunc
who took away the land of Ult. My reason for taking
it was because he did not come to the Kauhiki work,
nor furnish a substitute. It is six year since he has
done Kauhiki work, the man whom he left in charge
of the land performed Kauhiki labor, but he had
another land of his own. See Protest P. 226
